

# Training for Trainers

Train the trainer – training at its very best

Linac has delivered in excess of 250 courses in the last four years to over 2,500 delegates. Some of the companies who have benefitted from the course include PepsiCo, Diageo, Heineken, GlaxoSmithKline and Carlsberg UK, to mention but a few.

So why is Linac Train the Trainer so popular? Because the course achieves unbelievable results! From the hundreds of pieces of feedback, it is very apparent that the course is quite simply the best the market has to offer.

Most importantly delegates permanently remember the terrific learning experience and fun the course gave them. Almost every delegate comments on the creative and practical course aspects.

The course comprehensively equips aspiring trainers and more experienced trainers, with the critical skills required to design, deliver and evaluate training effectively. Participants are taken on an in-depth journey that explores the learning and development cycle, and allows them to practice new skills, as well as hone existing skills in a safe and supportive environment. Linac facilitators are adept at boosting confidence and quickly cultivating world class training capability. Your people will leave energised and eager to put their learning experience into practise. They will possess the skills and inner belief to go back to the work place to create and deliver exceptional training.

Linac offers a foundation 3-day Train the Trainer course and an advanced 2-day Train the Trainer course for seasoned trainers. The advanced 2-day course explores in more detail multi-sensory, accelerated learning and return on investment (ROI) from training. Linac's Train the Trainer course is also quality assured through the Institute of Leadership and Management (ILM).
